BUSINESS IS BREWING

More and more business is being conducted over a cup of joe. Are you meeting eye-to-eye?

LET'S MEET AT STARBUCKS

Concur Technologies, which processes 85% of the world's automated expense reports, found business is buzzing on Starbucks.

- **#1** Frequently expensed restaurant
- **#1** Location for out-of-office meetings
- **#1** Mobile payment solution

Concur, which makes expense and travel management solutions and services, has published an e-receipt solution in the **Concur App Center** for business travelers making purchases at **Starbucks**.

Transaction data from over 27 million Concur users shows Starbucks is the most commonly expensed restaurant and the top location for out-of-office business meetings. While more than one-third of all Starbucks transactions are now made with a Starbucks Card, including those using Starbucks mobile apps, Concur users were previously unable to easily earn My Starbucks Rewards Stars for business-related purchases.

This new collaboration allows users to have their receipts automatically sent to
