and eLearning courses on a wide variety of legal and tax topics.

Feb. 23, 2015

Bloomberg BNA has announced it is now offering CPAs and legal professionals unlimited access to its comprehensive collection of professional learning courses in multiple formats for CPE and CLE credit. For a flat fee, subscribers will now have access to a wealth of webinars, on-demand and eLearning courses on a wide variety of legal and tax topics.

“Our professional learning courses are presented by industry experts and enable legal and tax professionals to grasp complex topics and stay on top of trends, court rulings, legislative developments, and new regulations in their industries,” said Mike MacKay, Vice President of Cross Platform Businesses at Bloomberg BNA. “Our professional learning solution is ideal for lawyers and tax professionals who want to expand their knowledge while having the convenience and flexibility to do so from their desktop.”

The integrated learning platform enables users to sign up for new courses, access continuing education certificates and track completed sessions. Access to a personal online classroom enables users to access all of their learning activities in a central location. Additionally, enterprise customers have robust reporting capabilities, enabling them to track employees' progress throughout the year.
