Feb. 26, 2015

Are you or your clients waiting on an income tax refund from the IRS? The chart below shows estimated refund arrival dates, based on when the taxpayer submits their forms electronically or on paper.

The IRS won't start processing income tax returns until January 20, they announced at end of the year. This allows the agency time to update their own software to match changes to tax law made by Congress.

After that date, any taxpayers who have filed (either by themselves or with the help
