[Confirmation.com](https://www.confirmation.com), a major online audit confirmation provider, today unveiled its new Legal Confirmation Service that is now part of the Confirmation.com platform. This new online service provides auditors and law firms an easier, more efficient way to send and respond to legal confirmation requests.

Until now the process of completing legal confirmations was time consuming for all parties involved. There simply wasn't an efficient and reliable way for auditors to send and lawyers to respond to audit confirmations.

“Over the last several years, there has been a noticeable increase in the number of
