[Kill Bill](#), an open-source subscription billing and payments platform, has joined Avalara's community of certified solution partners. [Avalara](#), is a provider of cloud-based solutions related to sales tax, VAT and other transactional taxes. Avalara's solution partners are software publishers that integrate Avalara's software as a service (SaaS) offering for sales tax management directly into their own applications.

As a result of this partnership, customers of Kill Bill now have access to AvaTax, Avalara's cloud-based solution, to automatically calculate the final sales tax amount on every invoice. This eliminates the tedious work and complexity of calculating taxes across multiple jurisdictions and helps businesses focus on their core offering.

"Most of our users operate at a global scale," said Pierre-Alexandre Meyer, co-founder at Kill Bill. "Keeping up with local tax regulations can be a real struggle. Our partnership with Avalara will take this burden off their shoulders, so they can focus on their core business while being assured they will remain compliant."

Pascal Van Dooren, Chief Revenue Officer at Avalara said, “This partnership allows
