The IRS is reminding taxpayers that the quickest way to get a copy of their tax transcript is to order it online using the Get Transcript application on [IRS.gov](https://www.irs.gov). By planning ahead, they should receive their transcript in the mail within five to 10 days from the time the IRS receives the request online.

Though taxpayers should always keep a copy of their tax return for their records,

Similarly, if a taxpayer plans to apply for a loan, they should ask their financial institution if a transcript will be necessary so they can plan ahead and have it at the appropriate time.

The fastest way to get a transcript is through the Get Transcript tool on IRS.gov. Although the IRS temporarily stopped the online viewing and printing of transcripts, Get Transcript still allows taxpayers to order their transcript online and receive it by mail. Taxpayers simply click the “Get a Transcript by Mail” button to order the paper copy of their transcript and have it sent to their address of record. Among the options available:

- To order a transcript online and have it delivered by mail, go to IRS.gov and use the [Get Transcript tool](#).
- To order by phone, call 800-908-9946 and follow the prompts.
- To request an individual tax return transcript by mail or fax, complete Form [4506T-EZ](#), Short Form Request for Individual Tax Return Transcript. Businesses and individuals who need a tax account transcript should use Form [4506-T](#), Request for Transcript of Tax Return.

The IRS will mail the transcript to the address of record entered on the prior year's tax return. The mailed transcript is an official document. It does not need to be a “certified” copy as is the case with some other documents. If a taxpayer has moved since they last filed a tax return with the IRS, they need to first submit [Form 8822, Change of Address](#), to ensure that the transcript is mailed to the correct address. Allowing time for the Form 8822 is another reason for taxpayers to plan ahead for their transcript needs.

If a taxpayer is applying for financial aid, they are encouraged to use the [IRS Data Retrieval Tool](#) on the FAFSA website to easily import their tax return information to

their financial aid application. The temporary shutdown of the Get Transcript tool
