Last week's annual Accountex USA accounting technology conference and expo include the announcement of the 2017 [User Favorite Award](#) winners. The awards program is a unique designation for an elite group of solutions and is based on the [Accounting Technology Ecosystem](#).

The User Favorite Awards are decided by a cumulative scoring system rather than the vendor that receives the most votes; users must rank the solutions they use on a 5-star system so that the winners are recognized on reported client satisfaction. It is designed to recognize the solutions that are truly the favorite of the people who use them regularly.

Of the hundreds of nominees and thousands of votes cast to determine the winners, the 2017 User Favorite Award honorees are: QuickBooks, Sageworks, Salesforce, Right Networks, Handifox, Expensify, ADP, Scanov, Karbon, Asana, Bill.com, TSheets, Fundbox, SmartVault, Oracle, Intuit Field Service Management, Knowify,
