technology consultants, business valuation specialists and litigation support professionals.”

“This merger further bolsters Gross Mendelsohn’s northern Virginia presence,” said David Goldner, CPA, CFP, CVA, managing partner at Gross Mendelsohn. “I am impressed by the talented team of professionals who are joining Gross Mendelsohn as a result of this merger. This means only good things for the firm’s clients in the northern Virginia and DC market, where we provide litigation support and serve government contractors, privately-owned businesses, nonprofits and high net worth families.”

**Gross Mendelsohn** is a second-generation CPA, technology and wealth advisory firm serving the complete financial needs of privately-held businesses, nonprofit organizations and families in the Mid-Atlantic region. The firm has offices in Baltimore, Maryland, and Fairfax, Virginia.
