essential module for the exemptions given to the bad debt recoveries. This is a very helpful module for the money lending business entities like credit card companies and other financial institutions. The e-filing with the IRS Form 1099 C is very simple. One can type manually or import the required data from any of the spread sheets to the 1099-C. You can get the e-filing receipts immediately from IRS. There are options to get printed your returns or save in other viewable data forms for your future references.
