and offer additional value and services to help create new year-round revenue streams.

Oct. 28, 2020

RUN Powered by ADP® Payroll for Partners is the flexible, award-winning cloud solution chosen by thousands of accounting professionals to process client payrolls and offer additional value and services to help create new year-round revenue streams. This secure, white-labeled solution allows accounting professionals to help streamline their clients businesses by offering:

- An end-to-end payroll tax filing service with the ability to process payroll anytime, backed by dedicated support
- Offer flexible pay options such as direct deposit and pay cards
- Help navigate federal, state & local compliance rules
- Interface with accounting applications like Quickbooks®, Xero, Wave, and more—without rekeying data—with our General Ledger Interface (GLI)
- Save time and help improve accuracy with automated time and attendance tracking
- Streamline additional functions with the option to incorporate HR tools such as creating an employee handbook, retirement services and/or a premium payment program for workers' compensation through ADP's insurance agency, ADPIA
- Marketing support with custom print and website materials, including the option to white-label collateral for your clients
