product and MIP, the non-profit accounting program from Best Software, as well as interfaces between all of their tax products and Best's FAS fixed asset management suite. Joe Partridge, Quality Assurance/Design Manager, said the company has also integrated additional links to the CPASoftware Visual Practice Management database, allowing users licensed for CPASoftware's VPM and any Visual Tax product to generate the tax preparation invoice from within any of the tax packages. The company has also included the following:

A new tax planning product that interfaces with Visual 1040 Tax

A 706 Estate Tax return package

Automatic online software updates

e-Filing for all states

The ability to e-mail client organizers

"I am confident that users who take advantage of these enhancements will greatly benefit in the form of increased production, efficiency and, ultimately, bottom-line revenue for their firm," Mr. Partridge said.
