Sage Software's Sage Compliance Services (formerly known as FLS tax compliance services) offers Sage EDP Payroll Tax, a comprehensive and easy-to-use payroll tax compliance solution. Sage Compliance Services is a recognized leader in delivery of payroll tax compliance services. Among the clients of Sage Compliance Services are government agencies around the world, more than 20 percent of the Fortune 500, plus many medium-sized businesses and organizations.

Using Sage EDP Payroll Tax, users can insource or outsource their payroll tax compliance processing. Sage EDP Payroll Tax is available in three versions, operating as a fully outsourced service, an application services provider (ASP), or on-premises software, and directly supports payroll tax deposits, filing of payroll tax returns and cash management. As an online hosted application, Sage EDP Payroll Tax supports multiple users and requires minimal hardware and software, operating in a familiar web browser over a high-speed Internet connection.

Using Sage EDP Payroll Tax, users can process federal, state and local payroll taxes, track due dates automatically, electronically file returns, electronically pay taxes, generate laser-printed returns, manage cash, and analyze data with comprehensive reporting options. Sage EDP Payroll Tax interfaces with Sage Payroll Services, and with other payroll, ERP and accounting systems. Sage EDP Payroll Tax can operate as a stand-alone system, and users can access the system from any location. Sage EDP Payroll Tax is scalable, serving a single PC to an enterprise-wide system.
