**Education** – BA Economics, Univ. North Carolina Chapel Hill

**Family** – Wife Jenni; Chace 4.

**Hobbies & Interests** – Writing music, drums, piano, UNC Basketball.

**What peers, clients and friends say about Scott:**

Scott is a tremendous professional who exemplifies above-and-beyond dedication to customers. He also has a true passion for helping others, which shines through his actions on a daily basis, ranging from helping ProfitCents subscribers to maximize the benefit obtained to providing detailed, in-depth information and resources to accounting firms that are considering using ProfitCents as a resource to improve their practice. All accountants and people who have had the opportunity to meet Scott will agree on one point — Scott truly cares about and enjoys helping others.

**What technology or business process does Scott see affecting the tax and accounting profession in the next five years?**

“Accounting firms will not only prepare financials, but, as an automatic practice, will analyze and help their clients interpret those numbers. Through this aspect of their service, accounting firms will immensely change their clients’ perception of them.”
