Recorded January 11, 2008

Today's show is an introduction of both John Higgins and the series as a whole. We've had many, many questions in the DMS (Document Management System) area and consequently thought it wise to dedicate a podcast series specifically to that area. We'll discuss the role of DMS, evaluation factors, various solutions, scanning options, workflow, portals, Adobe, etc.

Gregory L.	John Higgins
LaFollette	CPA.CITP
