The Sleeter Group will be announcing the 2010 Winners of the "Awesome Add-ons for QuickBooks" honors this afternoon in Orlando, but he's given us a heads-up on this year's winners. So congratulations to the following tech companies who are doing a great job of providing small businesses with additional tools and features specific to their industry.

More on the 2010 Awesome Add-ons for QuickBooks is at: www.cpata.com/go/2692

2010 Awesome Add-on for QuickBooks Winners:
Alocet Incorporated, for Method Integration, a web-based platform for QuickBooks that allows users to create customized, online business management systems with real-time syncing to their QuickBooks data. MethodIntegration.com

ExpenseWatch.com, for its self-named online system that gives small businesses automated tools for managing their spending processes, while ensuring that spending policies are enforced. ExpenseWatch.com

MISys, Inc., for MISys SBM Shop Floor Control, which gives manufacturers enhanced tracking features for managing work tools, production centers, shop operations and manufacturing capacity. MISysInc.com

Netfira, for Connect Commerce, an ecommerce solution offering secure, real-time applications for both sellers and buyers, giving each party access to more accurate data that can be automatically integrated into their accounting system. Netfira.com

Propelware, for Autofy, which reduces data entry tasks by synchronizing business records between desktop and enterprise software, online data sources, ecommerce systems and mobile devices. Propelware.com

Qvinci Software, for the Qvinci business management system, which aggregates

Virtual Software, for Virtual Time + Expense, an online platform that simplifies the preparation, approval and accounting processes for timesheets and expense reports, and includes features for time, class and project tracking. VirtualSoftware.net

XpandedReports, for ExpandedReports for QuickBooks/Fishbowl, a comprehensive and flexible reporting tool for business using QuickBooks of Fishbowl Inventory that helps consultants produce and customize reports for clients, filling the gaps left by standard reporting options. XpandedReports.com

The Sleeter Group also recognized incMagic (incmagic.com) search as a "New Product to Watch."
