Financial Planning Professional (FPP) is a comprehensive financial planning software program for Windows. All areas of planning are available in a single, fully-integrated package—there's no need to purchase each planning area separately. As a powerful financial planning tool, FPP gives you flexibility, detail, and the ability to quickly create full plans or modular reports to suit your needs. FPP has what it takes to grow your business and communicate more effectively with your clients.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
