Do you know what your payroll is costing you? Why pay \$200 a month to a payroll service company when you can spend only \$99 a year (no monthly fees) for all your payroll needs?

Payroll Mate is a comprehensive payroll software that fits the needs of accountants, small to medium size businesses (SMBs), agricultural employers, non-profits, local governments, schools, household employers and the self-employed. Payroll Mate not only offers solid return on investment, but also gives employers better control over payroll-related activities, provides easier access to employee / wage information, simplifies reporting / compliance / record-keeping and helps employers address employee information confidentiality concerns.

Payroll Mate 2016 automatically calculates net pay, federal withholding tax, Social Security tax, Medicare, state and local payroll taxes. Payroll Mate also supports different types of payroll pay periods, prints checks, prepares payroll forms 941, 943, 944, 940, W2 and W3. Our payroll for small business software also supports user-defined Income, Tax, and Pre-tax / Post-tax Deduction categories making it very flexible and powerful. Our payroll system works with different accounting software

including Intuit QuickBooks, Sage Peachtree (Sage 50), Quicken, Microsoft
