SPECTRUM™
CONSTRUCTION SOFTWARE

Dexter + Chaney, a technology leader since 1981, provides Spectrum™ Construction Software, a software solution designed specifically to help contractors integrate their Operations and Financial Teams. Spectrum Construction Software includes 30 modules to handle accounting, project management, document imaging, human resources, service operations, purchasing, equipment, materials, remote connectivity and more. Our Query and Dashboards module offers a number of graphic displays and database queries that provide real-time access to key performance indicators.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
