Putting managing back into management: Management is about planning, organizing and directing activities to achieve desired results through relationships – with vendors, employees, prospects and customers. Acctivate provides the right tools and access to relevant, real-time information for increased effectiveness in managing Purchasing, Customer Relationships, and Sales activities.

Supply the big box: Acctivate provides a streamlined end-to-end EDI solution for small and midsized businesses. Acctivate clients are currently using EDI successfully with some of the largest companies in the world, such as Wal-Mart®, The Home Depot® and Academy® Sports + Outdoors.

Extensible knowledge : Built on a solid Foundation of industry-standard components, direct integration with QuickBooks, comprehensive system-wide functionality, and robust, flexible Reporting, Acctivate is the small business management software that enables companies to navigate today's demands, adapt for tomorrow's changes and scale for future growth and success.

For more information visit acctivate.com and then contact us for a live product demo and a free trial of the full version of Acctivate.
