Intacct Accountant Edition revolutionizes the way CPAs serve their small and mid-sized customers, transforming accounting firms from after-the-fact financial statement providers to forward thinking, proactive financial advisors. Intacct Accountant Edition delivers best-in-class on-demand, web based accounting and financial applications that help accounting professionals better collaborate with clients, improve their financial performance and deliver better advice, faster.

A unique, CPA-focused dashboard helps accountants improve accounting services and client satisfaction, making it easy to manage, update access and share data from multiple clients. With this cloud accounting solution, no time is wasted waiting for data files to be shipped, transferred or reconciled and there is no need to exchange paper documents.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
