Virtual Desktops allow people to work in the cloud with a system that functions the same as their local PC desktop. Use applications, save documents and collaborate with coworkers and clients as if you were working in the same office. With Virtual Desktops, businesses and professionals can be productive anytime, anywhere. Plus, with InsynQ's managed IT services, your Virtual Desktop will always be backed-up, maintained and virus protected. It's like having your own dedicated IT department... at a fraction of the cost!

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
