system were among the technologies honored at the 7th Annual Tax and Accounting Technology Innovation Awards.

Isaac M. O'Bannon • Jun. 08, 2010

Mobile professional payroll applications, online document storage, SaaS-based accounting and practice management tools and an in-practice knowledge sharing system were among the technologies honored at the 7th Annual Tax and Accounting Technology Innovation Awards. Presented by The CPA Technology Advisor, the Awards serve to identify and honor new and emerging technologies that have the potential for significant positive impact on the profession and in the day-to-day work of tax and accounting practices.

Winners of the 2010 Awards are: AccountantsWorld for AccountingRelief; Thomson Reuters for its Practice CS Staff Management Module; SmartVault, Inc. for SmartVault v3; SurePayroll for Mobile Payroll; and CCH, a Wolters Kluwer business, for KnowledgeConnect. Two additional technologies were given Honorable Mention recognition: The AvaTax with AvaCert system from Avalara; and ProSystem fx Document SaaS, a part of the new SaaS Suite from from CCH.

This was the second year that The CPA Technology Advisor announced the Innovation Awards live on Twitter (#cpatechadvisor). More about the 2010 Tax & Accounting Technology Innovation Awards is available at www.cpatechadvisor.com/go/2887.
