Jul. 19, 2010

Addsum Advanced Accounting software is modifiable, affordable and expandable (from a single PC user to dozens of users on your Windows network) for wholesale, distribution and retail industries. The software package includes point of sale (POS), bill of materials (BOM), job costing and integrated credit card processing along with its strong sales order, quotes, single or multi-location inventory control, accounts receivable, purchase order, general ledger, accounts payable, payroll and other modules. Based on predecessor releases that date back to the early 1980's, it has stood the test of time. Join thousands of users worldwide who run their small to medium-sized businesses on Advanced Accounting.

Payroll

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
