59½ distributions. The program handles up to five beneficiaries either after the death of the plan owner or after the death of a spouse after a spousal rollover. Reports show annual distributions and the life expectancy for each beneficiary as well as total distributions to each beneficiary and yearly distributions to all beneficiaries. The **Retirement Distributions Planner** may be licensed for \$249 (or **download now** for \$224) **with six months maintenance coverage included. After the first six months, optional annual maintenance coverage is priced at \$79. The program** requires Windows 98 or later. The **current user manual** is available for download in PDF file format. Now available: **Case Studies and Sample Reports**
