collaboration. Being web-based, architects, engineers, and construction firms will have the ability to access their project information anytime anywhere and store data in one central location. With its built-in wizards that automate complex tasks or comprehensive executive dashboards to analyze project budgets, Corecon provides cutting-edge technology to maximize the profitability of one's projects and make all departments work more efficiently.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
