From Press Release

August 23, 2010 – TAOS, NM – Universal Business Computing Company (www.ubcc.com), the leading provider of high volume, high productivity payroll and accounting software, announces today that the 2010 UBCC Client Conference September 22 – 24, 2010 will be held at the Pheasant Run Resort in St. Charles, IL (a western suburb of Chicago), the Midwest's largest entertainment resort.

UBCC's three-day client conference will be filled with valuable information and the exploration of the latest features and efficiency techniques UBCC technology offers. Conference attendees are encouraged to bring a notebook with a backup of their UBCC software on it. "Our annual client conference is an event we greatly look forward to as a time for the UBCC team to connect face-to-face with our clients, discuss and consult with them about their business, review and provide training on new features and functionality, and help clients become more productive and profitable," said Ken Garen, CPA, Co-founder and President of UBCC.

Pheasant Run Resort is a beautiful, 250-acre resort is within easy driving distance of both O'Hare International and Midway Airports. With 473 luxurious guest rooms, two championship golf courses, a renowned spa, award-winning dining and entertainment, three pools and extensive meeting and conference facilities, the Pheasant Run Resort promises to be the perfect setting for the 2010 UBCC Client Conference.
