Challenging Questions and Providing Historical Client Data

Extended tax season hours offer more time for personal and immediate responses to accountants' most pressing payroll, tax and billing needs

Apr. 01, 2011

CINCINNATI – March 30, 2011 – Paycor's complimentary CPA

Care concierge service offers accountants immediate and personal service year round and especially during the busy tax season. CPA Care's dedicated experts are available to accountants nationwide, providing client payroll reports and answers to challenging tax and legislative questions. Extended hours during tax season give accountants full access to the personalized attention of CPA Care for last-minute help with corporate filings.

"Our advocates are available at a moment's notice to respond to any accountant's question," said Bob Coughlin, chief executive officer, Paycor. "We know accountants are time strapped, especially during tax season. CPA Care takes work off their desks and gives them peace of mind. We invite all accountants to reach out to our CPA Care advocates to get personal assistance in answering their most challenging payroll and tax questions."

CPA Care offers live, personal support via phone, e-mail or online chat. Its advocates pride themselves on having answers to every tax and legislative question presented to them. Although accountants are not required to have clients with Paycor to benefit from this personal service, accountants with mutual clients receive a single point of contact for all of their Paycor client data. These accountants also have access to historical client information during audits,

fiscal year-to-date client reports, workers' compensation reports, as
