Professional Development

Agreement Provides Tax Preparers with Quality Education to Easily Meet Professional Goals

May. 05, 2011

NEW YORK – May 4, 2011 – [Intuit](#)

[Inc.](#) (Nasdaq: INTU) is teaming up with the [National Association of Tax Professionals](#) (NATP) to help tax preparers achieve their professional goals and fulfill CPE requirements through a series of top-notch training programs designed for Intuit customers. More than 300 courses cover everything from basic to advanced tax preparation to preparing for the Enrolled Agent Exam and the impending Registered Tax Preparer Exam.

The courses are offered at special discounted pricing for Intuit customers and are available in a variety of ways to meet practitioners' needs, including in-person workshops, live and on-demand webinars and facilitated online courses.

“Because tax professionals have different goals and needs, we have different tracks of education to help them meet their training goals,” said Allesandria Polizzi, group manager for learning and development, Intuit Accounting Professionals

Division. “Together, our two organizations will offer affordable training that help tax preparers achieve their training goals and meet the new IRS regulations.

We are thrilled to partner with NATP to bring excellent training to Intuit customers.”

Course Offerings

In the extensive course library, Intuit and NATP offer classes to help tax professionals prepare for the Enrolled Agent Exam conducted by the IRS to

become an enrolled agent and a basic tax training course for new employees or
