CPA Practice Advisor

Technology Section

The Information Technology Membership Section is a voluntary AICPA membership section for CPAs who want to hone their information technology skills and learn how to apply new technologies to expand their portfolio of services, and help their clients and organizations increase efficiency and maximize their bottom line. IT Section members have access to an impressive array of resources to help them as they strive to support their clients and employers operational, compliance and assurance needs.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
