Even better, managers are provided a training plan designed for the particular individual or a comprehensive departmental training program.

Screen job applicants for proven payroll knowledge and identify any areas for improvement. You'll find many different ways to use the KAC assessments.

Each Web-based assessment features questions and variables that are randomly selected from an extensive pool of questions, ensuring that **each assessment is unique** and providing you an invaluable opportunity to practice and improve. You may take **up to one hour** to complete an assessment and **receive your training recommendations immediately**. You also can access the scores of your most recent assessment online for 180 days. The KAC is designed to APA's exacting specifications by a preeminent team of Certified Payroll Professionals and industry experts.
