organizations with a total of five or fewer paid employees in one state.

## Strengths

- Each company comes with a single client login, along with optional accountant access.
- Reports & websites in the wholesale version can be branded with the accounting firm's logo.
- Flat-fee monthly pricing (\$35/mo. for monthly payroll) makes costs predictable.
- Clean user interface provides quick efficient payroll processing.
- Included employee self-service portal (PayView) can be configured to allow pay stub and W-2 download for all employees, as well as company-wide reporting for owners & managers.

## Potential Limitations

- Does not support after-the-fact payroll processing.
- No online Help or knowledgebase available, although there is phone & e-mail support.

## SUMMARY & PRICING

With the simple interface, high level of customer support and rich feature set, XpressPayroll provides a quality solution for both micro businesses and accounting professionals managing multiple clients (through XpressPayroll for Accountants). Pricing for the payroll services is a flat fee and is charged per month based on the payroll frequency. Monthly pricing starts around \$35 for monthly payroll, \$55 for semi-monthly and bi-weekly payroll, and \$80 for weekly payroll.
