Drake Software, one of the largest independent developers of tax and practice management software for professional accountants and tax professionals, announced today that they've acquired **Copanion**, which is most notable for its GruntWorx paperless workflow solution. Financial details regarding the deal between the two privately-held concerns were not disclosed.

Drake spokesman John Sapp stated that there should be no change in operations and development, and that staff at both companies will remain. Copanion's CEO Ed

Jennings is expected to aid in the transition.
