2011 Overall Rating 4.25

Best Firm Fit

Small firms, especially those taking advantage of the tax software integration available.

Strengths

- Ribbon interface similar to Microsoft Office.
- Integration with tax software & QuickBooks.
- Synchronization with Outlook, including viewing staff calendars side-by-side.

Potential Limitations

- No SaaS version.

Summary & Pricing

ImagineTime is a time and billing system best suited for small accounting firms, and when integrated with its offering of add-on modules, it becomes a powerful comprehensive practice management system. Pricing is based on the number of concurrent users, and starts at \$295 for the stand-alone single-user version. The add-on modules, including due date tracker, Outlook synchronization, document management, QuickBooks and tax software integration are available individually with optional one-time charges.
