- Web-based system provides remote access.

Summary & Pricing

After-the-Fact Payroll is the most fully featured web-based year-end compliance system covered here, providing excellent multi-user functionality and integration with client collaboration tools and document management systems. After-the-Fact Payroll costs $395 per year, inclusive of all features and e-filing. It is also available as a component of the Power Practice System, and functions best with this broader web-based suite of eight integrated professional accounting and practice management solutions.
