Summary & Pricing

Laser Link is best suited to small tax and accounting practices, providing an easy-to-use system for generating year-end returns for multiple clients and recipients. The program includes free e-filing and costs \$59.99 per license. This supports all users in the same office and includes the ability to print to plain or pre-printed stock. The TFP system, which is also designed for multi-entity filing of W-2s and 1099s but only supports printing to pre-printed forms, costs \$39.99. The online eFileforBusiness system, which includes built-in e-filing and which is designed for lower volume users, is offered on a per-use basis for as little as \$0.95 per form to e-file to the government and mail to the recipient.
