## Summary & Pricing

*eTEK* Fundamentals is currently priced at \$3,995 for up to three users, with \$1,050 in training and support costs. *eTEK* also offers a complete system that includes all modules for around \$15,000. The SaaS version is available for \$283 per user per month, which drops significantly after 24 months. Other pricing options are available, as well. *eTEK* Fundamentals offers smaller government entities, churches and nonprofit organizations an excellent product that is fully scalable, and contains solid fund accounting features in a completely integrated package. By offering the two delivery models, this product is even more attractive to the small organization.
