www.serenic.com

2011 Overall Rating 5

Best Fit

Serenic Navigator is a powerful system optimally designed for larger nonprofit organizations that need a fully integrated financial solution that provides solid performance and system reliability. Smaller users may wish to utilize the SaaS version, Navigator Online, which was designed for small to mid-sized users.

Strengths

- Excellent financial management capability

- Cost may be prohibitive for some smaller organizations
- Complex product installation & setup for on-premises product

Summary & Pricing

Serenic Navigator Business Essentials starts at $3,500 per user. Serenic Navigator Advanced Management starts at $6,500 per user. Additional modules, such as DonorVision and AwardVision are sold at an additional cost. With the availability of the SaaS version, Navigator Online, for $195 per user per month, nonprofits of all sizes will find Serenic Navigator an excellent investment.
