professionals are starting consulting companies, which could be partially attributed to the rise of social media. In fact, 44% of working Americans consider themselves “free agents,” according to a Kelly Services survey. Whether you're the sole consultant, or you have the ambition to scale your business to have multiple consultants, it's important to understand what goes into running one.

Read the rest of this [Fox Business article](#) for the five tips on how to start a successful consulting business.
