Fishbowl and eFileCabinet have joined together to bring their customers a paperless solution that will allow them to manage their inventory more effectively. The new integration aims for seamless data transfer from Fishbowl into eFileCabinet.

Fishbowl's inventory management solution manages a business' inventory, orders and customers and now, with eFileCabinet, users can scan securely manage those documents. eFileCabinet's features include full-text search, workflow routing, document retention, and advanced security. eFileCabinet stores files on a local server, giving everyone in your organization access to company documents. In addition, both Fishbowl and eFileCabinet offer seamless integration with QuickBooks.

Current Fishbowl users can now [sign up](#) for a free 30-day trial of eFileCabinet Desktop.
