Join our executive editor, Darren Root, CPA.CITP, as he hosts an exciting webinar on document management with CCH's John Springfield, product manager, and Ben Koker, technical software consultant. These three experts will share with attendees some of the profession's best practices for effective document management.

The one-hour webcast is scheduled for Tuesday, April 3 at 2:30 p.m. EST and will cover a range of topics including:

- Choosing a solution: What makes one right for your firm?
- Planning considerations: The what's, when's and how's of change management
- Technical best practices before, during and post implementation
- Answers to audience questions

[Register](#) for “Building the Right Strategy: Document Management IT Best Practices and Considerations” now. In addition to receiving one hour of free CPE credit, attendees will also be entered into a drawing for a chance to win a free Apple iPad.
