Shoeboxed, a provider of small business document storage solutions, has joined the CloudSolutions Alliance, an educational coalition that includes [Fujitsu Computer Products of America, Inc.](#), [XCM Solutions](#), [SmartVault](#), [FreshBooks](#) and [Avalara](#).

Shoeboxed's solutions align with the CloudSolutions Alliance's mission to help professionals achieve zero data entry and maximize productivity through fully integrated SaaS, Cloud and paperless solutions.

"As we look to make a bigger name for ourselves in the accounting market, we feel that teaming with the CloudSolutions Alliance is a huge step in the right direction," said Taylor Mingos, CEO, Shoeboxed. "Today everyone is talking about 'zero data entry', mobile, and integration; three things that we bring to the table. We're confident that by incorporating Shoeboxed into this superior mix of Cloud, SaaS and paperless solutions, the Alliance will continue to provide even more value to accounting firms of all sizes."

Shoeboxed offers a digital organization solution that allows users to electronically store various business documents including receipts, business cards and bills. Users

have several options for uploading documents to Shoeboxed: mail in documents
