CCH, a [Wolters Kluwer business](#), recently announced the enhancement of its tax and accounting research platform, CCH *IntelliConnect*. New features include improved search and access to information and enhanced mobility.

“User feedback through our strong customer partnerships is a key component in designing new features that raise *IntelliConnect*’s performance bar even higher,” said Tina Rajski, CCH Product Manager. “These enhancements yet again demonstrate *IntelliConnect*’s continuous improvement and show why CCH leads the industry with respect to platform and content advancements.”

Users can access *IntelliConnect* entirely from their iPad. Premier content and tools are available on iPhone and BlackBerry devices via CCH Mobile. The federal tax glossary utilizes *IntelliConnect*’s pop-up capability to define terms while researching topics and the search has been expanded to include more federal and state tax topic terms. Users can now access Federal Citator treatment codes directly from the text and can add federal practice tool to their list of favorites.

Other content that is now available to *IntelliConnect* users as a result of the recent update include:

- New CCH *Law, Explanation and Analysis* on tax legislation sunset provisions
