- Access to the software via a web browser
- Client updates using Microsoft's click-once technology
- Customizable menu shortcuts for the most used functions, reports and queries
- Customizable dashboards and menus
- Create, view and email reports using Microsoft's XPS viewer

"I like the user customizable menus in StreetSmarts 8.0...very helpful for frequently used options or to group monthly, weekly, or quarterly reports. I also prefer the look and feel of new interface in this release," said Dan Jensen, IT/IS Manager, Lakeside Industries.
