Cougar Mountain Software is celebrating its 30th anniversary this year. The Boise, Idaho-based company was founded in 1982 by Robert Gossett, with the goal to provide a solution to small businesses that needed better, trustworthy, and powerful accounting systems. Since then, the company has grown to have its software used by thousands of businesses. This year the company is celebrating its 30th Anniversary.

Chuck Gossett, who became Cougar Mountain Software CEO in 2008, said the long-
