That's where AT&T MDM solutions can help, freeing small business owners to concentrate on doing what they do best – running their companies,” said Chris Hill, Vice President, Advanced Mobility Solutions, AT&T Business and Home Solutions.

AT&T also offers support services for small business owners through its small business team. The team will work with owners to develop a mobile device policy and strategy and select and implement a MDM solution. Business owners can also with consult with the team for help in hosting and managing the solution.
