[SmartVault](#), the provider of SaaS document storage and sharing solutions, released today the SmartVault app for the iPad. The new app allows users to search, view and share documents right from their iPad.

“Building out a robust set of applications for mobile devices is core to our strategy and vision,” said Eric Pulaski, founder and CEO of SmartVault. “The ability to work from any location and from any device is essential if businesses want to increase productivity.”

Available for free from the App Store, SmartVault for iPad is designed to help
