Now, it's even easier for professionals to quickly pinpoint the answers they need while working whenever and wherever they want with the latest innovations from *CCH Mobile* and CCH *IntelliConnect*, the most powerful research platform available.

New enhancements featuring more fluid navigation across an even broader spectrum of premier research content are now available for Apple iPhone, iPad and Android users who enjoy greater convenience and flexibility for efficiently advancing business when away from the office. CCH, a Wolters Kluwer business is a leading global provider of tax, accounting and audit information, software and services (CCHGroup.com).

“With feedback from customers saying they love the increased mobility of *IntelliConnect* via their smartphones and tablets, we've improved on delivering the information they need while adding even more content,” said Tina Rajske, CCH Product Manager. “With another tax season on the horizon, we're providing maximized mobility for professionals who need to stay on top of news and developments, meet with clients outside the office and accomplish more when they're on the move.”

Enhanced Content, Displays

IntelliConnect's user-friendly design makes it easy for accessing quick links to instant answers in the Quick Bar at the top of the home page right above the Browse Tree. A new Tools/Smart Charts link is being added to the Quick Bar for locating key content even faster – just in time for tax season.

Additional *IntelliConnect* Quick Bar and Browse Tree navigational improvements for faster access to answers include:

- **IRS Forms link on Quick Bar** – New “Forms” link will take users directly to CCH
