General Sales and Gross Receipts Tax

12 month collections reached a new high in the third quarter of 2012

TaxConnex recently released its study of national sales tax trends, compiled from data from the US Census Bureau. TaxConnex is a provider of sales and use tax outsourcing and consulting services.

The data shows that sales tax collections have steadily increased over the past few years. However, due to a steep decline in 2008 and 2009, many states expanded the list of taxable services and applied the full-court press to Amazon and other online retailers. This action resulted in the collection of sales tax reaching an all-time high.

“The conversation du jour surrounding sales tax revolves around how much sales tax
