profession and clients, as well as the needs of professionals, upcoming technology developments by vendors and long-range strategies.

Isaac M. O'Bannon • Feb. 17, 2013

Dallas is the center of the public accounting world this weekend, as the nation's most respected and influential leaders in or serving the accounting profession meet at the 2013 CPA Practice Advisor Annual Thought Leader Symposium.

The event gives these professionals an opportunity to meet senior management from the largest technology vendors serving the profession, with a round-table setting

that encourages collaboroation.
