Intuit Inc. today provided an update on its progress in resolving issues consumers experienced with TurboTax, ProSeries, Intuit Online and Lacerte products while filing Minnesota state tax returns.

Intuit's Vice President of TurboTax Bob Meighan, CPA released the following statement in regards to the problems impacting Minnesota state tax returns:

"Intuit released fixes today to resolve programming errors in our consumer and professional tax products and is communicating directly with affected customers who file returns in the

state of Minnesota. We've had all hands on deck to address these issues and reassure the
